UNLOCK WORLD-CLASS HIGH-END **FURNITURE DESIGN**

A Journey To Bring Every Visionary Furniture Future Design To Life

Dear Valued Partner,

We are Viet Duc Interior, established in 2016 and proudly rooted in a traditional Vietnamese woodworking workshop with over 20 years of expertise. By blending our rich craftsmanship heritage with creativity and modernization, our mission is to become a globally recognized, high-end Vietnamese furniture brand.

Viet Duc specializes in designing, manufacturing, and processing high-quality furniture for both export and domestic markets. We look forward to partnering with you to create truly world-class products.

EXPLORE OUR CRAFTS

MANSHIP & EXPERTISE

01. High-End Manufacturing

We use premium natural woods like walnut, oak,.., combined with materials such as metal, glass, natural stone, and upholstered fabrics. We apply advanced technologies, including cutting-edge CNC machinery, to ensure precision and speed.

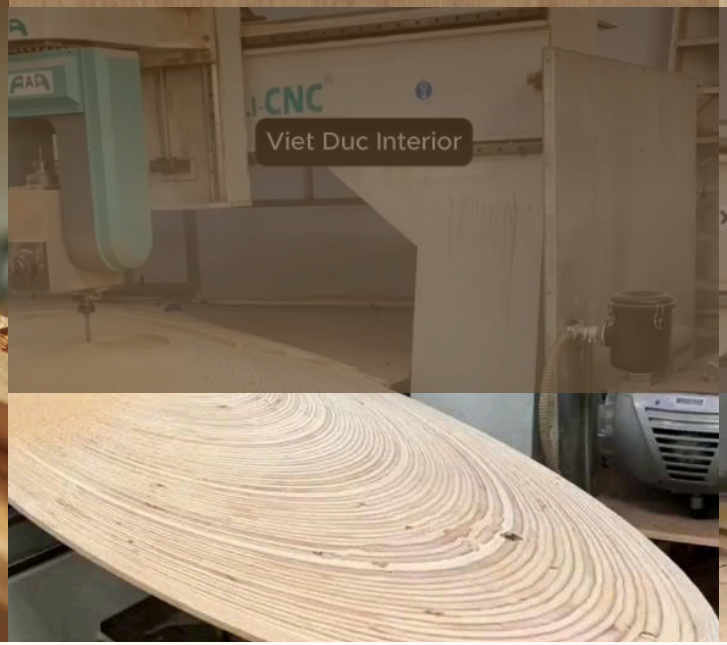

02. OEM & Custom Projects

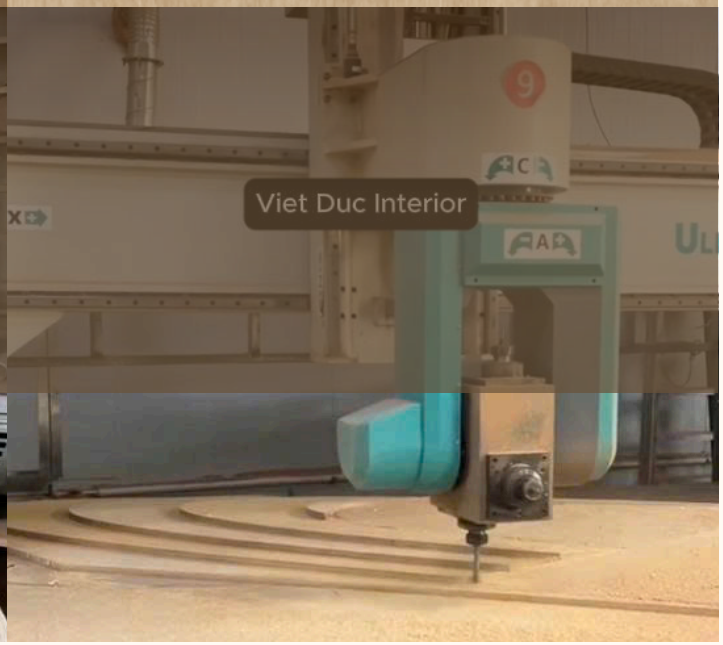

We offer OEM and customized part orders, catering to high-end requirements for hotel, restaurant, and villa projects. Simply provide your images or specifications, and we will create fully personalized, finished products to meet your unique needs.

03. Advanced Finishing

Our comprehensive finishing options include PU paint, NC paint, natural oil wiping, and metallic effect paint. We possess the capability to develop custom finishes according to your precise requirements, ensuring your vision is perfectly realized.

WHY CHOOSE
VIETDUC INTERIOR?

Import tariff incentives

Vietnam has forged economic partnerships with most countries wordwide, notably through Free Trade Agreements that reduce tariff rates to nearly zero.

Global Trusted Glow

Serving international clients in the USA, EU, Japan, Australia, Hong Kong, and India. Our goal is global recognition, solidifying Vietnam's position in the industry.

Closed-Loop Vision

By 2030, we aim to pioneer a closed-loop furniture ecosystem encompassing design, R&D, production, showrooms, and distribution.

Experienced & Skilled Team

Committed to training a creative workforce of designers and skilled engineers to bring every design concept to life.
